This sale is celebratory in nature as Kathy Holden, the matriarch of the Herb Holden Trucking Operation, is planning on enjoying a more restful retirement after 45 years of dedicated service to this business. Many folks have recognized the iconic green trucks on CT highways for decades and know the care that goes into equipment with the Herb Holden logo. Everything that sells was designed for the heavy earth contractor in mind and Sammy P and the Holdens invite you to check out the equipment at the main office starting June 23rd right up to the Sale on June 29th.
